in the coming summer, Jordan Brand has sold a number of memorable sneakers, including the gold suit, the Olympic aj6 and the Olympic aj7. Today brought us a pair of shoes derived from AJ1, AJ1, V.1. Jordan brand used this design idea to make the AJ10 AJ, and now AJ12 is adding AJ1. The transformed ones look more like a pair of casual shoes than basketball shoes. At present, the exposure of the color is black and brown two colors, the body of the shoe with suede material as raw material, leather and lace holes collocation toe heel shoes decoration, perforated Swoosh body, quite creative partly hidden and partly visible. The midsole and outsole are still vulcanized rubber outsole with bursting lines. It is reported that this shoes will be priced at \$95, is expected to be officially released on October.

is a three party joint venture! This time it's Puma R698. From the British Independent record company and clothing brands, as well as famous shoes shop, and then with the sports brand...

what sparks will they spark between them? Wait and see.
